Dear *Dean of Faculty of Sciences, UNS.*

We are pleased to inform you that the Faculty of Science, Prince of Songkla University, Hat Yai, has organized a Research and Culture Summer Program from 27 June to 22 July, 2016. The aim is to encourage students to do research activities provided by our enthusiastic and experienced researchers. Students will not only improve their scientific knowledge and skills from these training programs, but they will also enjoy cultural activities and local trips in Southern Thailand during weekends. For more information, please visit our website <http://www.sc.psu.ac.th/summer>, the brochures is enclosed.

In order to strengthen the good relationship between our two universities, the Faculty of Science, PSU would like to offer 1 scholarship that provide 50% off the tuition fee to your student to participate in the summer programs, please be noted that the applicant should submit through your authorized office by 30 May, 2016.

We look forward to welcoming your staff and students to the Faculty of science, PSU.

Yours Sincerely,

Wilaiwan Chotigeat
